To the best of my knowledge, I state the following information is accurate and honest. I fully understand that filling out and turning in this form does not guarantee admittance to Mount Carmel Academy for my student. I must complete the entire process before I will find out if my student is accepted. Furthermore, I understand that if I knowingly provide false information, this application will be voided. If my student has already been accepted and it is later found out that serious false statements were made, the enrollment may be revoked.
