

Mt. Carmel Athletic Club

Mt. Carmel Athletic Club (MCAC) was founded for the benefit of the students of Mount Carmel Academy (MCA). MCAC is recognized as a non-profit Public Charity and all members are volunteers. Our mission is:

- To enhance a sense of pride and tradition
- To provide necessary resources for MCA's Sport programs
- To provide scholarships to deserving student/athletes of MCA

About Us

Mt. Carmel Athletic Club (booster club) was founded in the summer of August 2008 after the closing of Mount Carmel High School. In March of 2009 our dream of becoming a non-profit organization became reality. We are now recognized as a Non-Profit Organization.

With Mount Carmel Academy (MCA) focusing on opening the school and on academics, the need to fulfill a sports program was placed upon Mt. Carmel Athletic Club (MCAC). Being parent supported and with plenty of prayer, we took the challenge and ran the sports program for the 2008-2009 school year as club sports representing MCA while still participating against former rival schools from previous years...while helping to build championship teams.

Slowly, as the school developed and evolved, the sports teams began to return to MCA. We are honored and proud to have assisted MCA in their time of need. Our goal and focus is and always will be to provide athletic scholarships and assist MCA's sports programs whenever possible.

Our motto: It's Not About Us, It's About The Kids!

Since 2008 Mt. Carmel Athletic Club has assisted in various ways when possible by:

- **obtaining regulation equipment**
- **assist in league fees**
- **reserve Carter Park for afterschool sport activities**
- **locating/reserving ballparks/courts for games & practices**
- **provide transportation**
- **purchase uniforms**
- **provide scholarships to deserving MCA student/athletes**
- **conduct and attend fundraisers / etc.**

Now with all the sport programs being operated by MCA, Mt. Carmel Athletic Club can focus on becoming what it was meant to do...become the best booster club in the history of the school since 1952.
